

KAESER Classic Series

KAESER Classic Series compressors are designed and built to the strictest quality standards, yet are priced to meet the needs of small and up-and-coming businesses without compromising efficiency, reliability, or durability.

KAESER Booster Series

KAESER offers a comprehensive range of high performance reciprocating compressors that are able to boost compressed air from a rotary screw compressor up to pressures as high as 45 bar(g). These machines are perfectly matched for use with KAESER's extensive range of rotary screw compressors and SIGMA PET AIR systems. [Click here to read more about KAESER's Booster Series.](#)
